Features

- FORGE Goatskin Grain Leather MIG Gloves feature a premium goatskin leather shell along with para-aramid liner for exceptional comfort, fit and long-lasting durability while handling sharp materials
- Crafted from flame-resistant materials, these gloves are heat resistant and stitched with aramid thread for enhanced seam strength and durability
- Featuring an engineered aramid yarn liner, these gloves deliver 360° cut protection with moderate ANSI/ISEA 105 A4 cut resistance and ANSI/ISEA 105 Level 3 heat protection
- Built with a gauntlet cuff for extended hand protection

Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture.
