1 Coverall x 50 bags = 50 Coveralls per case

Features

- Made from 55 GSM microporous material on the front for fluid resistance and 56 GSM SMS vented material on the back for comfort
- Elastic wrists, ankle and waist for a secure fit
- Reinforced 4-thread overlocked seam for added durability
- Includes a hood for comprehensive protection
- Double front zipper closure for convenience
- 4.5cm storm flap for a critical barrier
- Expected performance like as Category III, type 5/6 coverall
- Offers excellent resistance to chemical liquids, blood, body fluids, and infectious agents meeting EN14126 standards (microporous front)

Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture.
