- $100 \%$ cotton glove
- Ambidextrous
- Washable
- Breathable and absorbent
- Protects against scratches and smudges
- Useful for inspection, product protection or as a glove liner
- General Labour
- Assembly Line
- Quality Control

Storage \& Handling : Store in original packaging at room temperature under roof away from direct sunlight and moisture. Wash in cool or warm water and hang to dry

Laundry Instructions: Hand Washing:

- Fill a sink or basin with warm water ( $40^{\circ} \mathrm{C}$ or below) and add soap or mild detergent.
- Soak the gloves in the solution for approximately 5 minutes.
- Rub the gloves together while they are on or off your hands to ensure they are thoroughly cleaned.
- Rinse the gloves thoroughly with warm water, squeeze out any excess water and let the gloves hang dry away from any heat source.
- Do not use dryer.

## Machine Washing:

- Select the gentle cycle and use cold water ( $30^{\circ} \mathrm{C}$ or below).
- Add a small amount of mild detergent to the washing machine.
- Once the cycle is complete, remove the gloves, squeeze out any excess water and let the gloves hang dry away from any heat source.
- Do not use dryer.

## Notes:

- Please do not use bleach.
- These gloves can be washed up to three times, at a regular level of soiling.

Special Notes:
Although reasonable care has been taken in the preparation of this document, no warranties are extended and no liability is assumed. The information is solely provided as a general guideline for product use and care. It is up to end-users to make their own determination as to the suitability of the product for their own intended purpose(s).
