Storage & Handling	: Store in original packaging at room temperature under roof away from direct sunlight and moisture. Wash with fabric detergent in warm water and tumble dry.
Laundry Instructions : Hand Washing:	
	 Fill a sink or basin with warm water (40 °C or below) and add soap or mild detergent. Soak the gloves in the solution for approximately 5 minutes. Rub the gloves together while they are on or off your hands to ensure they are thoroughly cleaned. Rinse the gloves thoroughly with warm water, squeeze out any excess water and let the gloves hang dry away from any heat source. Do not use dryer. Machine Washing: Select the gentle cycle and use cold water (30 °C or below). Add a small amount of mild detergent to the washing machine. Once the cycle is complete, remove the gloves, squeeze out any excess water and let the gloves han dry away from any heat source. Do not use dryer. Notes: Please do not use bleach. These gloves can be washed up to three times, at a regular level of soiling.
