6 Pairs x 8 Bags = 48 Pairs Per Case

#### Features

- Excellent 18 gauge seamless HPPE/Nylon liner delivers superb comfort, flexibility, dexterity and breathability.
- Special soft Foam Nitrile coating with sandy finish treatment offers excellent grip, especially in oil.
- Resistant to oil & oil based chemicals with excellent durability.
- Water repellent liner & coating.
- Supreme comfort to reduce hand fatigue and improve work efficiency.
- These gloves are produced by using materials certified according to STANDARD 100 OEKO-TEX and meet the human-ecological requirements of the STANDARD 100 OEKO-TEX.
- Flexible knit wrist construction conforms to the hand and keeps dirt out of glove.
- Machine washable and re-usable for more cost-efficiency.

#### Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture. Wash in cool or lukewarm water and hang to dry.

#### CAUTION:

This product is cut-resistant, not cut-proof.  
Avoid use with moving or serrated blades.

#### Applications

- Engineering & Automotive Industry
- Maintenance and repair
- Glass handling
- Small parts handling and assembly
- Works requiring tactility and dexterity
- Oil transportation
- Sharp metal parts handling
- Shipping / Logistics
- Any operation with a moderate risk of cuts and contact with oily/wet parts
