69-4334-11	2X-Large

Packaging: 12 Pairs x 6 Bags = 72 Pairs Per Case
Available in Vending Machine Pack

Features

- 15 gauge ANSI A4 cut-resistant shell provides exceptional cut resistance while maintaining excellent dexterity
- The micro foam nitrile palm coating ensures a secure grip in both oily and dry conditions, improving safety and precision in various applications
- Manufactured with materials certified by STANDARD 100 OEKO-TEX, these gloves meet stringent human-ecological standards, guaranteeing skin-friendly and eco-friendly use
- Experience the "second skin" feeling with our ultralight gloves, designed for maximum comfort and flexibility
- High puncture performance reduces hand injuries from sharp objects and burrs.
- Knit wrist construction effectively prevents dirt and debris from entering the gloves, maintaining cleanliness and comfort
- Highest abrasion resistance in the cut-resistant glove category, built to last and perform in the toughest environments

Applications

- Engineering
- Construction
- Glass Industry
- Auto Manufacturing
- Maintenance & Repairs
- Logistics & Warehousing

Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture. Wash in cool or lukewarm water and hang to dry.

CAUTION:

This product is cut-resistant, not cut-proof. Avoid use with moving or serrated blades.

Expected Performance
