Available in Vending Machine Pack

Features

- 18-gauge ANSI A7 cut resistant shell offers excellent cut protection while maintaining excellent dexterity
- Micro foam nitrile palm coating delivers a reliable grip in both oil and dry applications, ensuring safety and efficiency
- Manufactured using materials certified by STANDARD 100 OEKO-TEX, these gloves meet stringent human-ecological standards
- Ultralight design feels like a second skin, providing exceptional comfort and ease of movement
- High puncture performance reduces hand injuries due to sharp objects and burrs, offering peace of mind during challenging tasks
- Knit wrist construction prevents dirt and debris from entering the glove, keeping hands clean and protected
- Highest abrasion resistance in the cut resistance glove category, ensuring safety and long-lasting durability
- Provides excellent dexterity and breathability, making it ideal for prolonged use

Applications

- Engineering
- Construction
- Glass Industry
- Auto Manufacturing
- Maintenance & Repairs
- Logistics & Warehousing

Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture. Wash in cool or lukewarm water and hang to dry.

CAUTION:

This product is cut-resistant, not cut-proof. Avoid use with moving or serrated blades.
