### Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture. Wash in cool or lukewarm water and hang to dry.

**CAUTION:**

This product is cut-resistant, not cut-proof. Avoid use with moving or serrated blades.

### Features

- Crafted with an 18-gauge nylon and spandex shell, ensuring a snug fit and superior flexibility
- Enhanced grip with sandy nitrile double coating in both wet and oily environments
- The double-dipping process offers enhanced protection, making these gloves a reliable choice for tough tasks
- Silicone-free and low-lint construction prevents product contamination
- Made from materials certified according to STANDARD 100 by OEKO-TEX, meeting stringent human-ecological requirements
- Designed to reduce hand fatigue, allowing for extended wear without discomfort
- Color-coded overcast ensures easy sizing guidance and minimizes fraying
- Breathable materials provide exceptional comfort, even during long hours of use
- ANSI cut level 1 and ANSI level 4 abrasion resistance guarantee dependable protection in various work environments
