### Features

- Green Hi-Viz back-of-hand bumpers not only enhance visibility but also offer ANSI level 2 impact protection
- Thinsulate™ lining that warms hands in temperatures down to -20°C / -4°F
- TPR on back of the hand
- Hook and loop closure tabs ensure a secure as well as comfortable fit
- Special impact system on the back hand with leather wrapping at the fingertips increases their durability
- Velcro cuffs provide additional wrist safety
- Easy maintenance: simply wash in cold water and tumble dry low; avoid using bleach

### Applications

RONCO's RMX is an excellent high performance glove to protect against impact, abrasions, snags and nuisance cuts.

Applications include:

- Automotive
- Oil & Gas
- Construction
- General Purpose
- Material Handling
- General Maintenance

### Storage & Handling

Store in original packaging at room temperature under roof away from direct sunlight and moisture. Wash in cool or warm water and hang to dry.

**CAUTION:** Product contains natural latex which may cause allergic reactions in some individuals.

### Expected Mechanical Ratings

- ANSI Cut Level A5
- ANSI Abrasion & Tear Resistance 4
- ANSI Puncture Level 4
- ANSI Impact Level 2
- ANSI Conductive Heat Level 2
