Heavy Duty

Sandy Nitrile Coated TPR Cut Resistant Touch Compatible Gloves, Cut ANSI A5, Impact ANSI 1, Puncture ANSI 3

- ✓ 18 gauge cut-resistant shell offers excellent cut protection and dexterity
- ✓ Sandy nitrile palm coating ensures a strong grip in both oily and dry applications
- ✓ TPR protection reduces the risk of hand injuries from pinches, crushes, and impacts
- ✓ High puncture resistance to safeguard against hand injuries

Applications:

- Construction
- Manufacturing
- Mining
- Oil and Gas
- Petro Chemical

Item #94-220T

SIZES: S . M . L . XL . 2XL

Applications:

- General Automotive Maintenance
- Mechanical Maintenance
- Metal Fabrication and Stamping
- Automotive Stamping
- Glass Handling

Cold Resistant Mechanics TPR Cut Resistant Gloves, Cut ANSI A5, Impact ANSI 2

- ✓ Green Hi-Viz back-of-hand bumpers boost visibility and provide ANSI level 2 impact protection
- ✓ Thinsulate™ lining keeps hands warm in temperatures as low as -20°C / -4°F
- ✓ Hook and loop closure tabs deliver a secure and comfortable fit
- ✓ Specialized impact system on the back of hand with leather-wrapped fingertips extends durability

Item #92-675

SIZES: S . M . L . XL

Goatskin Grain Leather Drivers Gloves, Cut ANSI A5, Puncture ANSI 3

- ✓ Crafted with premium-grade goatskin leather for superior dexterity and abrasion resistance
- ✓ Para Aramid liner provides a snug fit, excellent comfort, and reliable cut protection for long-lasting durability
- ✓ Gunn cut pattern enhances comfort and maximizes dexterity
- ✓ Meets ANSI standards: Level A5 cut resistance, Level 4 abrasion resistance, and Level 3 puncture resistance for superior protection in industrial applications

Applications:

- Automotive
- Construction
- Oil & Gas
- Machining

SIZES: S . M . L . XL . 2XL

Item #72-460

Applications:

- Metal Fabrication
- Welding
- Metal Stamping
- TIG Welding
- Metal Handling
- Mining

Grain Leather MIG Welders, Cut ANSI A5, Puncture ANSI 4

- ✓ ANSI Level A5 cut resistance and ANSI Level 4 puncture resistance offered by DuPont™ Kevlar® liner, ensures strong seam integrity
- ✓ Fleece-lined back-of-hand protection delivers ANSI Level 4 heat resistance
- ✓ Padded palms and cushioned wrists enhance comfort during extended work hours

Item #75-282

SIZES: S . M . L . XL

Mechanics

Goatskin Grain Leather Mechanics Gloves, Patch Palm

- ✔ Crafted with premium goatskin leather shell for superior dexterity and abrasion resistance
- ✔ Hooded fingertips and thumb provide extra protection in high-wear areas
- ✔ Neoprene knuckle bar ensures a snug fit with added padding
- ✔ Elastic wrist and Velcro closure keep out dirt and debris, ensuring a secure fit

Applications:

- Automotive
- Construction
- Yard & Field Work
- General Maintenance

Item #72-082

WRANGLER'S™

SIZES: S . M . L . XL . 2XL

Applications:

- Automotive
- Construction
- Machine Operations
- General Maintenance

Synthetic Leather / Spandex Mechanics Gloves, ANSI Cut A4

- ✔ High-dexterity construction ideal for various tasks
- ✔ Reinforced synthetic leather thumb saddle and fingertips for enhanced durability
- ✔ 4-way stretch spandex back for flexible, snug fit
- ✔ Cut-resistant lining for safe handling of sharp materials

RMX

Item #73-432

SIZES: S . M . L . XL

Synthetic Leather / Spandex Mechanics Gloves, Unlined

- ✔ High-dexterity construction ideal for a range of tasks
- ✔ Reinforced synthetic leather thumb saddle and fingertips for superior durability
- ✔ 4-way stretch spandex back provides flexibility and secure fit
- ✔ Flexible stretch knuckle, durable synthetic leather palm, and elastic back for a snug, comfortable fit

Applications:

- Automotive
- Construction
- Machine Operations
- General Maintenance

RMX

SIZES: S . M . L . XL

Item #73-422

Cut Resistant

13 Gauge Sandy Nitrile Full/Double Coated Touch Compatible Gloves, Cut ANSI A6

- ✔ Unique sandy nitrile coating offers superior grip and exceptional oil resistance
- ✔ Double-dipped palm and fingertips provide extra abrasion resistance
- ✔ Flexible knit wrist design conforms to the hand, keeping dirt out

Applications:

- Construction
- Automotive Industry
- Glass handling & Machining
- Working and Molding Sheet Metal

Item #69-244T

PRIMACUT™

SIZES: S . M . L . XL . 2XL

Applications:

- Press, Welding
- Metal Fabrication and Stamping
- Handling Heavy, Oily Metal Pieces with Sharp or Irregular Edged Metal Parts
- Automotive Stamping
- Glass Handling

SIZES: S . M . L . XL

Leather Palm Aramid Gloves, Cut ANSI A6

- ✔ Durable leather palm reinforced with aramid fiber for superior puncture and snag resistance, even at the fingertips
- ✔ Leather palm for durability and comfort
- ✔ Ideal for safe handling of heavy metal parts and hot objects
- ✔ Unmatched abrasion resistance for extended use

PRIMACUT™

Item #69-6184

13 Gauge Foam Nitrile Coated Aramid Gloves, Cut ANSI A2

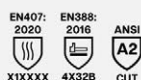

- ✔ 13 gauge aramid with foam nitrile palm coating
- ✔ Excellent abrasion / cut / tear / puncture resistance in light duty applications
- ✔ Flexibility eases hand fatigue
- ✔ Meeting EN and ANSI cut protection standards, these working gloves guard against lacerations and thermal hazards

Applications:

- Automotive
- Construction
- Carpentry
- General Trade
- Durable Goods
- Metal Fabrication

Item #69-250

PRIMACUT™

SIZES: S . M . L . XL

All Purpose

Applications:

- Heavy Metal Fabrication
- Mechanical Handling
- Maintenance
- Site Clearing

Nitrile Fully Coated Gloves, Jersey Lined with Knit Wrist Cuff

- Comfortable jersey lining efficiently absorbs sweat
- Outstanding dry grip performance
- Exceptional resistance to punctures, abrasions, cuts, grease, and oil
- Soft coating minimizes hand fatigue over extended use

SIZES: S . M . L . XL . 2XL

Item #76-515

Nitrile Fully Coated Gloves, Napped Cotton Lining with Nitrile Chips

- Full nitrile coating provides impermeable protection against oils, chemicals, and abrasions
- Rough surface grip is perfect for wet or greasy conditions, offering increased protection and a secure grip
- Reinforced safety cuff prevents liquids and debris from entering, boosting durability
- Soft cotton liner regulates temperature and keeps hands dry

Item #76-535

Applications:

- Chemical Spray and Treatment
- Public Utility
- Guttering and Drain pipe
- Water/Sewage Treatment
- Washing and Cleaning
- Plumbing

SIZES: XL

Applications:

- Small Parts Handling
- Operation of Cranes, Forklifts and Plant Equipment
- Hardware Store
- Food Handling
- Automotive Maintenance

13 Gauge Latex Coated Hi-Viz Polyester Gloves

- 13 gauge hi-viz green polyester shell for comfort that helps improve dexterity
- Highly touch-sensitive with crinkle latex palm for a great grip
- Designed with a snug fitting knit wrist closure for keeping out dirt and debris
- Ergonomically designed to reduce hand fatigue

SIZES: S . M . L . XL . 2XL

Item #77-719

Precision Handling

Applications:

- Oily Parts Handling
- Automotive
- Machinery and Equipment
- General Warehouse and Inventory Handling

15 Gauge Biodegradable Foam Nitrile Palm Coated Polyester/Recycled PET Gloves

- Biodegrades 5.3% in just 135 days, meeting ASTM D5511 standards
- Each glove conserves 28 grams of CO2 compared to gloves made with virgin polyester
- Eco-Friendly Manufacturing: Saves 755g CO2 and 2 liters of water per pair vs. standard nitrile gloves
- High abrasion resistance with strong wet/oily grip

SIZES: XS . S . M . L . XL . 2XL

Item #76-640E

15 Gauge Micro Foam Nitrile Palm Coated Nylon Gloves

- Breathable nylon liner molds perfectly to your hand, offering unmatched comfort and dexterity
- Microfoam nitrile palm coating with a wavy design ensures superior grip in dry, wet, and light oil conditions
- Ultralight design provides "Second Skin" feel
- Sustainably packaged with paper wrap, helps reduce environmental impact

Item #76-600

Applications:

- Small Parts Handling
- Operation of Cranes, Forklifts and Plant Equipment.
- Hardware Store Inventory Handling
- General Warehouse and Inventory Handling

SIZES: XS . S . M . L . XL . 2XL

Applications:

- Assembly / Finished Goods
- Equipment / Machinery Operation
- Shipping / Receiving / Stocking
- Warehouse / Inventory

15 Gauge Hi-Viz Micro-Foam Nitrile Palm Coated Nylon Gloves

- Micro-foam nitrile coating provides a secure grip in wet and oily environments
- High-visibility colour ensures safety and compliance
- ANSI Level A1 cut resistance and EN 388:2016 Level 3 abrasion resistance offer high and reliable protection

SIZES: XS . S . M . L . XL . 2XL

Item #76-805

Heat, Cold & Chemical Resistant

Applications:

- Cold Material Handling
- Outdoor Construction
- Grounds Maintenance
- Winter Applications

Fingerless Fleece Flip-Up Mittens, Thinsulate™ Lining

- ✔ 2-in-1 Flip Design: Convertible fingerless gloves feature a flip-top for easy transition, allowing finger dexterity when needed; thumb with its own separate "hood"; can be folded back and secured with a magnet when not in use
- ✔ 40 grams of 3M™ Thinsulate™ insulation for warmth
- ✔ Ergonomic keystone thumb enhances durability, comfort, and dexterity while minimizing hand fatigue
- ✔ Ideal for winter tasks that require excellent dexterity

Item #77-412

SIZES: S . M . L . XL . 2XL

Grain Cowhide Cold Resistant Mitts, Heavy Acrylic Pile Lined

- ✔ Grain cowhide offers long-lasting durability against wear and tear
- ✔ Cow grain leather is abrasion resistant, water-repellent, and comfortable
- ✔ Angled wing thumb design ensures added flexibility and comfort with a seamless palm-to-thumb connection
- ✔ Shirred elastic wrist cuff allows for easy on-and-off use, ensures a snug fit, and keeps debris out

Applications:

- Cold storage, Warehouse
- Snowmobiling / Recreation
- General-purpose Outdoor

-35°C
-31°F

Item #72-540

One Size

Applications:

- Food Preparation
- Food Service
- Hospitality
- Kitchen / Bakery
- Metal Extrusions

Heat Resistant Terry Cloth Gloves with Gauntlet Cuff

- ✔ Terry loops circulate air, providing thermal resistance to keep hands cool
- ✔ These heat resistant terrycloth gloves are designed for light to medium-duty tasks
- ✔ Gauntlet cuff provides additional wrist safety
- ✔ Easy maintenance: simply wash in cold water and tumble dry low; avoid using bleach

Item #66-084

One Size

PVC / Nitrile Blend Fully Dipped Gloves with Napped Cotton Lining

- ✔ Fully coated nitrile/PVC blend for maximum protection against petrochemicals along with strong resistance to punctures and abrasions
- ✔ 100% cotton jersey shell for a very comfortable fit
- ✔ Double dipped resin finish for robust wet/dry grip
- ✔ Durable rubberized safety cuff for total wrist protection and donning/doffing process.

Applications:

- Oil
- General Maintenance
- Petrochemical Production
- Petrochemicals
- Oil & Gas
- Industrial

SIZES: XL

Item #79-532

Applications:

- Cold Storage
- Construction
- Industrial Manufacturing
- Oil and Gas

Latex Fully Coated HPPE /Acrylic Cold Resistant Gloves, Cut ANSI A5

- ✔ Acrylic terry fleece liner keeps hands warm in cold conditions
- ✔ Full latex double coating ensures superior grip in dry, wet, and oily environments
- ✔ Latex coating enables the gloves to remain soft and flexible even below sub zero temperature
- ✔ Compliant with food contact standards (FDA 21 CFR 177.2600)

Item #69-594W

SIZES: S . M . L . XL . 2XL

Leather Gloves

Applications:

- Industrial/Manufacturing
- Oil & Gas
- General Purpose
- Material Handling

Split Leather Fitters, Unlined with Extended Safety Cuff

- ✔ Stiff rubberized safety cuff offers additional wrist protection
- ✔ Reinforced fingertips and a knuckle strap provide enhanced protection and fit
- ✔ Wing thumb design allows for flexibility without a seam between the palm and thumb

Item #74-091

SIZES: M . L . XL
