| 75-351-11 | 2X-Large |

6 Pairs x 8 Bags = 48 Pairs Per Case

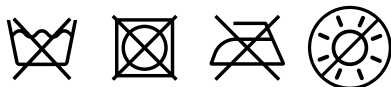

*Made to Order

Features

- Crafted with premium full-grain cowhide leather on the palm and index finger to ensure lasting strength and superior grip.
- Features a soft cotton fleece lining in the palm that adds warmth and comfort for all-day use.
- Built with a tough split cowhide back to deliver both flexibility and long-lasting wear.
- Designed in a Gunn-cut pattern with a wing thumb for maximum dexterity and reduced hand fatigue.
- Reinforced with heat-resistant aramid stitching to enhance durability and protection in demanding work environments.
- Constructed with welted seams and added pulse protection for extra strength and safety.
- Finished with a gauntlet-style cuff that provides extended wrist coverage and a secure, comfortable fit.

Storage & Handling

Store in the original packaging at room temperature, under a roof away from direct sunlight and moisture.

End User Industries

- Mining & Metal Processing
- Shipbuilding & Marine
- Automotive & Heavy Equipment
- Welding
- Oil & Gas

Applications

- Smelter work, equipment handling
- Metal fabrication, deck welding
- Body welding, machinery repair
- Steel welding, heavy lifting
- Pipe welding, rig maintenance
