

18 GAUGE HPPE GLOVES WITH SANDY NITRILE COATING, NITRILE DOTS ON PALM, ORANGE/BLACK

94-385

Nitrile grip dots on the palm amplify grip stability, reduce slippage, and improve control when handling smooth or heavy objects.

High puncture resistance helps protect hands from sharp edges, metal burrs, and abrasive materials

Sandy nitrile palm coating ensures reliable grip performance across oily, wet, and dry handling conditions

Adjustable Velcro cuff closure
